UNIT-II

Que.3 Translate the following passage into Hindi -

Indian Judiciary is Known for uploading high moral standards and its smooth functioning to stabilise, Consolidate and Protect Indian democracy whenever such situation arised. Infect the Judiciary in India has never been called into question except a few rare cases. It has been the last hope for the people. In India people being disappointed an all fronts go to the refuge of the

Judiciary, which is the testimony to its high impartial and independent role. However one aspect of it is that Justice here is Known for being delayed. This is attributed to high backlog of Pending cases. To sum up, Judiciary though independent is weaker than the executive and legislature which claims to be the representative of the people, the real source of power in a democratic in the survival and strengthening people's role by ensuring safeguard to their constitutional libeely and freedom. Public will never like the judiciary to be ignored as it is the last hope for the aggrieved public. Hence, for the survival of democracy, the respect for judiciary is a must.

UNIT-IV

Que.4 (a) Read the following passage carefully and write a précis and suggest a suitable title.

Law and Justice are of paramount significance to a society. If there is justice, There is prosperity and development of every segment of society. It is the law and justice which ensures the benefits of progress percolate to the lower strata of society, what eves the level of economic development. It there is no justice, fairness and rule of law, there will be dissatisfaction, oppression and situation of anarchy. The Indian constitution guarantees the protection of life, property, personal liberty to the people and provides against their deprivation. The law and Courts are always there to help the people. The judicial decisions of higher courts, e.g. The supreme court and the High court's also serve as important sources of law. Local customs and conventions which are not against the principles of morality are also taken into account by the courts while dispensing with justice.
