Unit-II

2. (a) Read the following passage carefully and answer the questions given below :

In the words of Father of the Nation "Education is not to teach an occupation, but through it to develop the whole man". The purpose of education should not only be to make our children literate, but to make this earth a better place to live in. At present apart from the economic challenges of poverty, unemployment and malnutrition, we have challenges like terrorism, dowry deaths, intoxication, strikes and youth unrest. It is only education which can inculcate a spirit of patience and endurance to meet the challenges to a great extent. It was the power of a knowledge alone which was

(3)

used by Socrates, Aristotle and Chanakya to bring about a change in history. In the past two decades, there has been unprecedented expansion in knowledge. Almost every house has access to newspaper, television and other components of the information system. But the need of the hour is to differentiate between knowledge and wisdom.
